The servant to whom he had entrusted the five bags of gold said, 'Sir, you gave me five bags of gold to invest, and I have doubled the amount.' The master was full of praise. 'Well done, my good and faithful servant. You have been faithful in handling this small amount, so now I will give you many more responsibilities. Let's celebrate together!'*

***Ecclesiastes 11:6***

- What adjustments in your investment strategy can you make to reflect these Biblical principles?

As you reflect on your investment strategy, consider the changes that will help you steward God's resources more faithfully. Write down the necessary steps you need to take to implement these changes – and come back in a few months to see where you stand. May God grant you wisdom and grace as you invest with a Kingdom perspective. May the choices you make not only seek financial growth, but also reflect a heart aligned with His purposes.
